:

### 1. Identification of the product

Use : See product information sheet for detailed information.

### 2. Information on ingredients

This product is not considered to be hazardous and does not contain hazardous components.

### 3. Hazards identification

Risk Phrases : No significant hazards.  
Primary route of exposure  
- Inhalation : Dust from this product, if present, may cause respiratory irritation following an excessive inhalation exposure.  
- Skin contact : May produce skin irritation.  
- Eye contact : May cause eye irritation.  
- Ingestion : Not expected to present a significant ingestion hazard under anticipated conditions of normal use.

### 4. First aid measures

First aid  
- Inhalation : Rest.  
Remove victim to fresh air.  
- Skin contact : Wash skin thoroughly with mild soap and water.  
- Eye contact : In case of eye contact, immediately rinse with clean water for 20-30 minutes.  
- Ingestion : Rinse mouth.  
Ingestion unlikely.

### 5. Fire - fighting measures

Extinguishing media : Foam. AFFF. Carbon dioxide. Powder.  
Special exposure hazards  
Special procedures : Exercise caution when fighting any chemical fire.

### 6. Accidental release measures

- Personal precautions : Equip cleanup crew with proper protection.  
Environmental precautions  
After spillage / leakage : Sweep or shovel spills into appropriate container for disposal.

### 7. Handling and storage

- Precautions in handling and storage : Avoid all unnecessary exposure.  
Storage : Store in dry, cool area. Keep container closed when not in use.  
Handling : Handle in accordance with good industrial hygiene and safety procedures.  
Wash hands and other exposed areas with mild soap and water before eating, drinking, smoking and when leaving work.

### 8. Exposure controls / personal protection

- Personal protection  
- Respiratory protection : Approved dust or mist respirator should be used if airborne particulate is generated when handling this material.  
- Skin protection : When skin contact is possible, it is recommended to wear protective clothing and gloves.  
- Eye protection : Chemical goggles or safety glasses.

### 9. Physical and chemical properties

- Physical state : Powder.  
Colour : Beige.  
Physical properties (ingredients) : See product information sheet for detailed information.

### 10. Stability and reactivity

- Hazardous reactions : None under normal conditions.

### 11. Toxicological information

- ON PRODUCT : No data available.  
Not expected to be toxic.

### 12. Ecological information

- ON PRODUCT : No data available.
